In today’s world, being efficient and effective with resources is the name of the game to keep your customers and tenants returning year after year. Join us for in-depth training and education related to the unique requirements of your commercial and industrial parking lot installations.

From construction to maintenance, materials to proper pavement design, learn what is required to keeping your facility in tip-top shape.

Instructors

**Tim Murphy** PE, President, Murphy Pavement Technology, Inc.

Tim promotes best practices within the asphalt industry on local, regional, and national levels. He works collaboratively with agencies, associations, consultants, suppliers, and contractors to ensure asphalt quality construction at the most economical price.

**Michael L. Groh**, Principal, Pavement Consulting LLC

Michael has been associated with the paving industry for four decades. His experience has been as a contractor, material supplier, and consultant with over twenty of his 40+ years working in the consulting industry.

**Dan Staebell**, Northcentral Regional Director, APA

Dan has 35+ years of Asphalt Paving knowledge working in all facets ranging from Estimating, Project Management, Construction, Liquid Binder Technologies, and Marketing. Dan works with APA Partners; NAPA, AI and the Regional State Asphalt Paving Associations.
